University of Omaha, Omaha, Nebr., Friday, Febr. 26, 1954

No. 13

## Regents Let Library Bids; Union Plans Lag

### Group Issues April Deadline

Contracts for the new library building will be let not later than April 15, according to the University regents.

In their meeting last Thursday the Regents heard the report of the building and grounds committee and passed a resolution authorizing architect John Latenser, Jr. to proceed with library plans. The Regents accepted a revised estimate of \$960,000; an increase of \$50,000.

This rise in cost was necessitated by the discovery that the footings would have to go deeper plus the added cost of miscellaneous items for the building itself. This also includes air conditioning, heating and other permanent equipment.

Ground samplings have showed that pilings for the building will have to extend deeper than was expected, Clarence Kirkland, chairman of the building and grounds committee, said.

The library will be constructed on the west side of the campus where the tennis courts are now located. The ground breaking and excavation for the foundation will probably begin in the late spring.

The building is expected to be completed in May, 1955. The building will be ready for occupancy in September of the same year.

## Regents List Faculty Jobs

Reappointment of 11 faculty members on an annual basis were announced by the University Regents last Thursday at the Fontenelle Hotel.

The instructors, who were appointed in September, 1953, are Stanley E. Davis, assistant professor of education; Robert D. Gaskill, assistant professor of music and band director; William E. Green, assistant professor of business administration; and Jack Hobbs, assistant instructor in psychology.

Also renewed were the appointments of T. C. Johnston, assistant professor of education; Frank M. Paulsen, instructor in English; James B. Peterson, associate professor of music and chairman of the department; and Stephen J. Polchert, instructor in art, College of Adult Education.

Other faculty members who are reappointed for one year are Alfred Sugarman, assistant professor of speech; Sylvester V. Williams, professor of engineering, chairman of the department and director of the Technical Institute; and Jack Wright, instructor in art. Faculty appointments were also announced for two new professors effective September, 1954. Dr. D. N. Marquardt was appointed associate professor of chemistry. He has been assistant professor at Iowa State Teachers College since 1949. Before that he worked as research chemist for General Electric and for the Firestone Tire and Rubber Company.

Returning as assistant professor in psychology is Francis M. Hurst who was instructor in psychology at the University from 1949 to 1951.

### Enrollment Data

According to the approximate number of students registered, there are 1.9 men for every woman at Omaha University.

Miss Alice Smith, registrar, announced that there are 1,008 men and 530 women registered. Wednesday Miss Smith was unable to give final figures.

### Union Proposals Wait Completion

Student Union plans have received no action since the final recommendations were submitted to University President Milo Bail Jan. 19. Until the plans receive an okay by Dr. Bail, the architect will be unable to draw up specifications.

The plans include a dormitory to house 160 students. It will be built in units to accommodate 40 persons in each.

Office space for student meetings will also be available. Four large and three small meeting rooms will be provided with four additional rooms near the cafeteria for luncheon and dinner meetings.

Other offices to be included in the building are the bookstore, alumni office, reception room, information and student publication offices.

Recreation facilities include a banquet hall and ballroom to accommodate 250 couples. A game room with six ping pong tables and six pool tables will be included. Bowling lanes will be located under the building.

According to Union chairman, Glenn Lewis, the committee has laid the ground work and now awaits official action by the architect and University President.

## Firms To Plan Booth Display

More than 100 booths will be displayed in the University of Omaha Fieldhouse for the 1954 Centennial Vocation Exposition—"Opportunities Unlimited," Mar. 15 through 19. The Omaha Downtown Kiwanis Club and the University are co-sponsoring the Exposition with assistance from the Nebraska State Vocational Educational Department and the Omaha Centennial committee. This year the exposition is expected to be a record breaker in both attendance and number of booths sold, according to J. E. Woods, general chairman.

Woods announced that all universities and colleges in Nebraska are invited. Also all high schools within a 75 mile radius of Omaha are invited.

The exposition will be open daily from 10 a. m. to 5 p. m. and 6 p. m. to 9 p. m. The evening sessions are designed to make it more opportune for parents and friends to attend.

A schedule is being worked out which will enable classes in session at the University to be excused so students can see the exposition. Classes will be accompanied by their instructors.

Each booth will depict a different field of opportunity. Personnel from professional, national and local organizations will be on hand to talk informally with those interested in the particular fields.

## Woods Gives Job Schedule

A Placement office recruiting schedule for seniors has been published by J. E. Woods, director of student placement.

Students wishing to meet with the following employer's representatives on the dates indicated should schedule interviews in Room 274 as soon as possible.

The first that will be represented include Bankers Life Company, today; Montgomery Ward, Thursday; Continental Can Co., Mar. 10; Alaska Road Commission, Mar. 11; The Maytag Company, Mar. 11; Price-Waterhouse, Mar. 16; Peat, Marwick and Mitchell, Mar. 18; Firestone Tire and Rubber Co.

## Harrington Captures Freshman Position In Special Election

Jean Harrington, Zeta Tau Alpha candidate, won the freshman election to Student Council. She will serve the rest of the semester.

One hundred twelve freshmen voted in the west lounge between 9 a. m. and 3 p. m. Wednesday. Sandy Lipari of Chi Omega and Gerri Thompson of Alpha Xi Delta also were candidates. The special election was conducted by the Student Council when Marion Emery did not return to school this semester.

## This Week in Council Members Set Ma-ie Events

Student Council members started Ma-ie Day plans rolling at their meeting this week.

Jerry Tannahill, overall chairman, announced a tentative schedule for Ma-ie Day events. The breakfast will start at 7 a. m. in Elmwood Park. Princess Attira XX will be presented following the breakfast.

Float chairman Bob Shropp said that floats will be assembled for the parade between 9 a. m. and 10:30 a. m. The parade will move to Dodge Street not later than 11 a. m.

Shropp also announced a meeting of float chairmen which will be in room 207 at 2 p. m. next Thursday. Rules for the construction of floats and qualifications for judging will be given at this meeting.

### Time Difficulties

Skit times have not been established. Council members are trying to remedy a problem for students in the parade who are also in the skits. Last year several had to break from the parade in order to be ready for the first skits.

Eddy Haddad will strike up the band at 9 p. m. Ma-ie Day in the Peony Park ballroom.

### Proxy Party

Presidents discussed production of a Tom-Tom Revue, giving three evening performances of the show and carrying out the Centennial theme in the Ma-ie Day parade at Monday's Proxy Party. Faculty made it clear that facilities do not support three performances until there is some elbow room.

Dean Jay Be MacGregor turned thumbs down on a Tom-Tom Revue produced only by students. Dean MacGregor said, "A Tom-Tom Revue that satisfies every taste, except good taste, will not be permitted by this institution." He also said that University property must be supervised by faculty. President Milo Bail will not permit a "wide-open show."

## TV Show To Tell Exposition Work

Tomorrow the TV series "Doors of Knowledge," on WOW-TV, 4 p. m., will feature a program explaining the Centennial Vocations Exposition—"Opportunities Unlimited," to be held at OU Mar. 15 through 19. Included in the program will be a model display of the Northwestern Bell Telephone Company's proposed booth at the exposition.

On hand to discuss the exposition will be Jack Woods, general chairman of the University of Omaha exposition committee; Charles Hoff, vice-president of the University; Bruce Linton, assistant professor of speech at the University; I. P. Rasmussen, Employment Supervisor of Men at Northwestern Bell, and Mrs. Q. Gearhart, Employment Supervisor of Women at Northwestern Bell. Two University students, Jim Erixon and Carolyn Chapman, will ask the questions that will help give all a clearer picture of the exposition.

## University Pushes Blood Campaign

A blood demonstration will kick-off OU's spring Red Cross Blood Drive today. Joyce Erdkamp and John Courtright will demonstrate in the auditorium from 10 a. m. to 10:30 a. m. the complete blood giving procedure.

## Be Wise!

Sign Up

for

OU'S

March 8

Blood Drive

The demonstration will encourage students to sign up for the all-school drive, Monday, Mar. 8. The Red Cross Unit will be in the P. E. Hut from 9 a. m. to 4 p. m.

**Class Excuse**  
All students donating blood will be "legally" dismissed from three hours of school Mar. 8 beginning from the time of his appointment. All persons donating the blood must make an appointment. They may sign up today during the demonstration or next week in the first floor ticket office.

Two trophies will be awarded to organizations: one to the women's organization with the highest percentage of donors and one trophy to the male organization with the top percentage. The Independent Student Association will be divided into two groups. Over 18

Any students 18 years old, over 110 pounds is eligible to donate. However, students under 21 must have their parent's consent.

Alpha Phi Omega, men's service fraternity, is sponsoring the drive. The group has set a goal of 200 pints. Maynard Tetelman is chairman of the drive, while Chuck French is publicity director.

The two men will speak to Greek and Independent organizations' meetings next week.

## Greek Plans Strat Rolling

"Campus and Community—Working Together" is the theme of the annual Greek Week observance at the University of Omaha Mar. 22 to 26. Interfraternity Council President Duane Post announced committees for three projects on the Greek Week program.

Members of 10 social sororities and fraternities on the campus will help repair and redecorate the City Mission House at Twenty-second and Cass Sts., under the direction of Edwin Marsh.

Members of the Mission committee include Bill Graddy, Virginia Cline, Sam Anzalone, Jack Karnes, and Fred Shirock.

Eddy Haddad's orchestra will play for the all-Greek dance at Peony Park Friday, Mar. 26, which will close the Greek Week celebration.

## Grad Division Adds Degree

A new graduate degree has been approved by the University graduate division.

The degree, a Master of Arts of Science with a major in College Business Management, recognizes the success of the four years' experience the University has had with the Workshop in College Business Management.

Dr. John Dale Russell, chancellor and executive secretary of the Board of Education Finance in New Mexico, and Charles Hoff, vice-president of the University, established the Workshop in 1950, the first of its kind in the nation. Dr. Russell was official consultant in setting up the new degree.

Requirements for the degree call for 30 hours work above the Bachelor's degree. A maximum of ten hours may be earned in the workshops in college business management.

This year the workshop will begin July 25. Last year 131 administrators from 32 states were enrolled in the week-long summer Workshop.

It gained attention from other countries. Mr. Hoff recently received a letter from the business manager of the Bible Institute and Theological Seminary at London, Ontario, Canada, inquiring about the session.

## Gateway Movie

Miss Ruth Moline of Teaching Aids said that the Gateway Movie this week will be a current newsreel. It will be shown at 10:30 a. m. and 1:00 p. m. Wednesday.

## Band To Give Friday Convo

The Omaha University band will present its first convocation of the year Friday morning, March 5, at 9:30 a. m.

The band will present the following musical program: "Americans We March," "Morning, Noon and Night in Vienna," "Blue Tail Fly," "Blue Tango," "Amparito Roca," "Teddy Bear's Picnic," "Fantasy on American Sailing Ships," and "The Conqueror."

Classes will be shortened to allow for the one-hour long convocation. The first class will be held from 8:45 to 9:20 and the convocation from 9:30 to 10:30. The third class will last from 10:40 to 11:10 and the last class will start at 11:20 and end at 11:50.

The band has been growing in membership and now has thirty-four members compared to twenty when they started last fall. Any students who are interested in playing with the band, should contact Band Leader Robert Gaskill, Room 163.

## Barrow To Head Purchasing Post

Sherwood A. Barrow is Omaha U's new purchasing agent. And that statement isn't as simple as it sounds. Barrows new duties not only include all purchasing of equipment and supplies, but handling the school's insurance, new construction contracts and all non-salaried contracts.

Although he is 26 years old, Barrows has been the assistant purchasing agent for Armour's Research Foundation in Chicago for two years. He is a graduate of Grinnell College, and a native of Manila, Iowa. He replaces Joseph Dellere who has been with the University since 1946.

## 'Career' Progress

Career "Opportunities Unlimited" plans were discussed Wednesday. Committees responsible for exhibit hall arrangements, booth reservations and sales, school and college contracts, special programs and liaison met to report progress on the activity to be held on campus the week of Mar. 15.

## Campus Leader Duane Post Praises Student Activities

By Betty Ellsworth

Perhaps the reason Duane Post has become a well liked leader is his high regard for anything that happens on campus. "The future growth of the University," says Post, "depends largely upon its capacity to meet student needs. And one of the needs is for a Union."

His drama debut a few weeks ago in "Brigadoon" helped him to see another need. He feels the drama department could do so much more if facilities were available. Duane admires Dr. Edwin Clark's abilities and feels that he received much experience during the play.

As the outstanding OU junior student, Duane received the Jenkins Memorial Scholarship for his senior year from the Alumni Association. Duane was tapped by ODK last spring as an excellent leader and scholar.

### Mr. President Honors

Triple presidency honors this year are in his social fraternity Pi Kappa Alpha; Interfraternity Council and senior class. He heads the Business and Agenda committee for the AFROTC convocation. Recently Duane was delegate to the National Interfraternity Council in Cincinnati and to the Air Force meeting in Washington, D. C.

Past presidencies are in Alpha Phi Omega, national service fraternity; Pi Kappa Delta, national debate fraternity and junior class. Duane's leader and debate interests began at North high. Summer work in boys' camps has prompted a gun and knife collection.

### Applauds Campus Friendliness

Visits to other universities lead Duane to believe campus friendliness is OU's greatest attribute. "There is individual attention for all so you don't feel like a cog in a big wheel. Even though we're a small school, we have plenty of good people that make something of themselves."

Duane points out that in both national and local standing, the reputation of campus organizations drama and music departments AFROTC and Arnold Air Society and publications is equal to any university.

## OU Students Voice Peeves

Do you think you go to the best school in the world? Let's hope you do, however, even the best has its imperfections. Here are some of the pet peeves of OU students.

**Jim Robbins**—People who don't want to have their picture taken then spend hours putting on make-up before the picture can be taken.

**Nancy Bastien**—Those horrible beards and mustaches the boys are growing for the Centennial. I hate beards.

**Martha Goodwin**—Lack of school spirit. If you go to a game or pep rally, nobody is there except perfect strangers.

**Pat Du Vall**—There are no quiet places to study. There is always a commotion going on in the library or cafeteria.

**Arnold Epstein**—I hate people who ridicule musicians. It is the general attitude of most people I've met.

**Patrick Shey**—Most people around here are either too friendly or not friendly enough.

**Islores Rigg**—The school has been talking about building a Student Union for years but we still don't have one.

**Royce Garret**—I hate to stand for hours in the library waiting for a book. I wish we would get a new library.

**Ronald Belt**—I hate the noise in the shack. When you go out there you can't even hear yourself think.

**Faith Stitt**—We need lots more school spirit and less red tape.

## Professor Jolted

Biology professor L. N. Garlough is giving the most shocking lectures in the school.

Because of a throat ailment Garlough is wearing a unique amplifier attached to his shoulder. When lecturing this gives him use of both hands.

While illustrating a point in one of his classes the other day, Garlough touched a metal faucet on his desk and at the same time touched his lips to the amplifier. He was no longer grounded and consequently received quite a shock. Students suggested he wear rubber gloves to class.

Duane Post . . . Busy senior takes time out to look to the University's future.

## Russian Study Popular

Fast becoming one of the more popular language courses is the study of Russian. Until a few years ago it was seldom offered by any school, but now it is steadily rising in importance. This is one of the few languages that owes its popularity to the unpopularity of the country.

Rev. Theodora Scala, the Russian instructor at OU, feels that "through the study of the language, and consequently the people, a better understanding between the two countries can be reached." He thinks the day will come when it will be necessary to communicate with these people and only through understanding their culture can this be done effectively. In dealing with people that have no idea about the American way, it's going to be a major selling job convincing them our system is the best.

The present class has an enrollment of seven, mostly veterans, who share Rev. Scala's views.

## arOUnd

**Model Wanted**  
The art department has advertised for a model. Anyone interested? Bring a heater and apply.

**The Artist's Touch**  
Nurse Beldora Tacke recently moved into a new apartment—complete with a river view mural. The mural, painted by its former artist owner, shows a paddle wheel boat charging down a muddy brown river. Black smoke curls around the view. Miss Tacke is thinking about redecorating.

**Put It in a Vault**  
One of our Deans recently was presented a pound of coffee at a luncheon meeting. Prize package!

## Future Plans Mean Growth For Adult Ed

From a humble beginning in 1938 with an enrollment of 814 students, the College of Adult Education has developed into a large organization with an enrollment of over 2,500.

Actually the College of Adult Education began in 1930, and by 1935 night school classes had an enrollment of 552 students. But it wasn't until the fall of 1938 that the college was officially formed here. In September 1952 the College was officially established as one of the five colleges on the OU campus.

The college's original director, E. M. Hosman became its first dean from the fall of 1952 until his retirement in August 1953. Donald Emery then took over the deanship.

The College of Adult Education has many departments as credit courses, non-credit courses, special conferences and clinics, the TV classroom, which has 10,000 viewers daily, on-the-base courses at Offutt Field, and correspondence courses.

Some of the goals for this college are:

- (1) An Adult Education Conference Center covering one wing of the new library including a lecture hall, lounge, office, and five or six conference rooms.
- (2) Advancement in Educational TV.
- (3) Contract courses with business and industry in Omaha.
- (4) A strengthening of the non-credit courses and addition of new subjects.

## Editorial

## Past Luck Poor . . .

The old adage "if at first you don't succeed, try, try again," might be applied to two activities which University students will participate.

The activities are the Creighton basketball game tonight, and the annual spring blood drive, a week from Monday.

The Red Cross Unit came to the campus in November for its fall campaign. Students stayed away in mass numbers. Out of a day enrollment of over 1,700 students and faculty, a total of 39 pints of blood were donated. The end result was certainly not worth the time and effort it took to set up the facilities.

According to Red Cross standards, the minimum number of pints for a successful drive is 135 pints. Alpha Phi Omega, sponsors of the drive, have set a goal of 200 pints. Members are making an intensive campaign to try to stimulate interest.

Officials believe that women are a great untapped source of blood. Excuses don't set too well when a life is at stake. There is little sacrifice on behalf of the donor, many times great sacrifice on the part of the receiver.

Donors may sign up for appointments next week in the first floor ticket office. Sign up!

## . . . Future Luck Good

Indian cagers will be trying to accomplish something they have been unable to do: beat Creighton. They take the floor tonight hoping to break the jinx.

From the performances by the cagers in the last few home games, chances for victory are encouraging. The team has snapped a mid-season slump and played its best game of the season in defeating Detroit's Wayne University.

An invasion by University fans of the Creighton gym will help boost the team to victory. Be there and cheer the team.

# OU Dumps Highly Touted Wayne University, 70-62

By Larry Means

Omaha University's basketball squad turned giant killer last Monday night as they upset Wayne University of Detroit 70-62. The Tartars who had lost only four games out of the previous 19 were victims of expert passing and one of the best exhibitions of team play shown by the Indians this season.

Wayne's advantage in height was apparent throughout the game as they shot outside the tight Indian defense. Tom Keller and Charles Primas showed mastery on long corner shots and monopolized the rebounds through most of the game to cop scoring honors with 21 points each.

The entire game was close, with the lead changing hands 11 times. Wayne held a decided edge throughout the first two frames but OU came back after a colorful half-time ceremony to tie up the game, 41-41.

## See-Saw Battle

The final quarter was a constant battle for the lead with never more than four points separating the teams, until the determined drive by Omaha in the closing minutes.

Stan Schaezle connected with a pair of left handed hook shots before fouling out in the final frame to begin the Indian's determined last quarter stand for victory.

Crashing lay-ups by Don Clausen, and two long set shots by Bob Mackie gave Omaha its first big lead, 61-58, with three minutes left in the game.

OU kept control of the ball through the waning minutes with a stall beautifully executed by Mackie, Tom Mosiman, and Fred Shinrock. All received charity shots through Wayne's determined efforts to gain control.

## Mackie Torrid

Mackie finished with 19 points, including 11 for 11 at the free throw line. His hustle and drive led Omaha from the opening jump.

One of Bob's efforts brought applause from the stands and slight injury to the player as he leaped into the air to keep a tossed ball from going out of bounds.

In the process determined Mackie landed between the fifth and sixth bleachers on the west side of the Fieldhouse. He drew seven

free shots in the last minute of play to cinch the victory.

Seniors Bob Moscrey, Mosiman and Claussen all played well in their final home game for the University. Moscrey was a defensive key in breaking up many free throw line; and Claussen monopolized on many fast breaks to gain top scoring honors with 20 points.

Wayne University has lost but 17 games since 1951. Their last defeat was to Duquesne University, the number one team in the nation.

The victory gave Omaha six straight wins at home and a season total of 11 wins and 12 losses. This compares to last year's record of 15 wins and eight losses.

## Indian Drop Two on Road

Coach Virg Yelkin's squad lost two consecutive games on the road last week. Kansas State Teacher's revenge an earlier setback by trouncing Omaha 67-55, and Rockhurst College of Kansas City defeated OU 77-69.

## Baseball Drills

All Omaha University's baseball lettermen are working out, but official practice will not start till around March 6 because of the High School Basketball Tournament which takes place on Mar. 2, 4, and 5.

Former OU second baseman Bugs Redden is still in charge of the men out. At the present time they are just conditioning themselves for the coming season. Lack of space prevents the baseball squad from drilling indoors.

## Indians in Playoffs

Omaha University has been accepted for the Nebraska NAIA play-offs in Grand Island next Monday and Tuesday nights.

The Omaha team will have to play without their star center Don "Mope" Claussen.

Omaha was selected after a Monday session of the District 11 Selection Committee in Lincoln.

Consider not pleasures as they come, but as they go.—H. G. Bohn.

# ROTC Stops Theta Chi Bid

ROTC cagers handed Theta Chi their second loss in intramural basketball competition Thursday afternoon, 24-21.

Bob Gerdeman was high point man for the ROTC with 15 markers. Spence Roberts put in 14 points for the losers. Theta Chi was without the services of leading scorer Don Maseman.

## Sig Ep's Romp

A flashy Sig Ep crew mauled Phi Beta Chi 62-9 Monday afternoon. Lowell Huber contributed 20 points toward the Sig Ep victory. Terry Doyle managed to get 4 of the 9 points produced by Phi Beta Chi.

ROTC won its second game of the week by downing the Sioux team 42-32. Dick Westin paced the winners with his 8 points. Harry Johnson of the losers led all scoring with 16 markers.

The PE Majors took a forfeit from the Sioux team, while the Sioux won by forfeit from the Pawnee team.

## PE Majors Win Again

PE Majors remained on top of the intramural volleyball league by dropping Sig Ep Wednesday afternoon. The league leaders have 3 victories to their credit with no defeats. In other volleyball competition last week Pi KA dropped Theta Chi.

## ISA Holds Lead

ISA bowlers remain well ahead of their competitors having a record of 24 wins and 9 losses. To insure their league lead ISA took two out of three from Lambda Chi in last week's intramural bowling action.

## Intramural Bowling Standings

	W.	L.
ISA	24	9
Lambda Chi	19	14
Sioux	19	14
Pi KA	18	15
PE Majors	15	18
ROTC	13	20
Sig Ep	12	21
Theta Chi	12	21

## Intrafraternity Bowling Standings

	W.	L.
Lambda Chi	10	8
Pi KA	7	5
Sig Ep	6	6
Theta Chi	4	8

## Bail Travels

President Milo Bail will attend the National Conference on Higher Education Mar. 4-6 at the Hotel Congress in Chicago.

# Visiting Indians Out to Snap Jay's Win Streak Tonight

Omaha University will be out to snap Creighton's thirteen game series winning streak tonight on the Bluejays court.

This will be the fourteenth meeting between the two rival schools, and up till now, the Indians have not been able to break into the win column.

# Girl Riflers Top North High Team; Longville Tops All

The University Women's Rifle team took top honors against North high's team in a match Thursday. OU's team shot 855 to place over North's 789 total.

High scorer Ruth Lonville turned in a 179 total. Others on the OU team, and their scores were Peg Andersen, 177; Blanche Bell, 154; Judy Bondurant, 163; Annine Dinkel, 165; Barbara Keisling, 170; Joyce Smith, 133 and Bertha Vanecek, 164.

## Petersen Wins Crown

Bev Petersen captured the singles badminton crown over Ruth Longville last week. Today is the last chance to sign for the mixed badminton tournament. Games will begin Monday.

## Archery Practices

Pre-tournament archery instruction will be given next week. Hour long practices are Monday at 7 p. m., Thursday at 1 p. m. and Friday at 10 a. m. in the quonset.

## Volleyball Honors

Second round volleyball honors go to winners Unaffiliated, Zeta and Chi Omega. Next rounds are Alpha Xi v. Independents, Tuesday; Zeta v. Chi O, Wednesday and Unaffiliated v. Sigma Kappa Thursday. Time is 4:15 p. m. Persons interested in scorekeeping or timing may sign in the quonset.

## Square Dance

Chairman Marilyn Herbes announces the annual OUWI square dance will be Mar. 20 in the auditorium. Co-hosts this year are the Men's PE Majors Club.

On Jan. 14, the Bluejays breezed to their thirteenth win over the Omaha five, 88 to 67. The only bright spot for OU fans was the hustle and fight that remained in the Indians up to the final second.

## Big Three Break Records

Creighton's big three, Eddie Cole, Ray Yost, and Elton Tuttle are shattering all kinds of Bluejay basketball records. Ray Yost, the rugged forward who can't be moved from under the basket, has scored 533 points, a new one season record. Cole is right on his heels with 529, and Tuttle, who set the record last year with 469 points has 485 to date. The Creighton team is averaging 75.7 per game, a new high.

## No Visiting Jitters

The last time the two teams met on the Bluejay court, the Creighton five just slipped a tie in the last seconds to grab a 56 to 54 win. So OU fans won't have to worry about visiting jitters.

## Full House Expected

Creighton will go into the game a heavy favorite, but those who have watched the two teams tangle know that anything can happen and usually does.

A capacity crowd is expected to see the contest; so OU fans should get there early and yell for the Red and Black.

## Happy Birthday

Deans and their secretaries celebrated Dean Jay B. McGregor's birthday Wednesday afternoon by having a small office party in the Faculty Club room. Cake and coffee were served.

THAN ANY OTHER CIGARETTE!

Candidates for Theta Chi Dream Girl are Carol Roberts, at the driver's wheel, Marianne Bowley, in the front seat and Marilyn Raupe in the rear seat. Not pictured is JoAnn Maxwell.

## Theta Chi's Prom Tonight To Reveal New Dream Girl

The 1954 Theta Chi Dream Girl will be announced tonight at the Theta Chi Dream Girl Prom.

The candidates are Marianne Bowley, Alpha Xi Delta; Marilyn Raupe, Chi Omega; JoAnn Maxwell, Sigma Kappa and Carol Roberts, Zeta Tau Alpha.

The semi-formal closed dinner dance will begin at 6:30 p. m. at the Rome Hotel. Bob Almen is chairman of dance arrangements. His committee includes Bob Guide, Jerry Norene and Don Digilio.

Sponsors for the evening are Mr. and Mrs. Paul Beck, Dr. and Mrs. Bruce Linton, Mr. and Mrs. John

McMillan, Mr. and Mrs. George Pritchard and Mr. and Mrs. J. Lee Westrate.

Theta Chi's voted on the Dream Girl winner at a regular chapter meeting. She will be presented at the dance with flowers and a gift from the fraternity.

## AAS Elects Officers To Serve Next Year

### Chi O's Plan Greek Dance

The Chi Omegas will be wearing the green Mar. 5 at their all-Greek Shamrock Shuffle.

The very informal (bobbysocks will be the style) dance at Peony Park from 9 p. m. to midnight will feature Eddy Haddad's band.

The theme of this year's annual Shamrock Shuffle is "A Little Bit of Heaven." The intermission skit will incorporate the theme with a review of several Irish songs.

Chairman of the dance plans is Honor Thorson. Her co-chairman is Kay Talty. Carolyn Chapman is in charge of the intermission skit; Mary Ellen Kallander is in charge of decorations and Becky Chartier will head the publicity committee.

### FTA Rush Tea Today

The Future Teachers of America Rush Tea will be held from 3 until 5 p. m. in the Faculty Clubroom today rather than last Friday as previously announced.

Anyone interested in becoming a member of the organization may attend. Members of the group will serve as hosts and hostesses.

The Arnold Air Society elected officers for next year at the AAS meeting last Sunday.

The new cadet officers are Frank Pazlar, commanding officer; Jerry Norene, executive officer; John Cottrell, adjutant recorder; Larry Peters, treasurer; Sam Anzalone, operations officer and Bob Mayne, public information officer.

The cadets will receive "On the Job Training" for the rest of this semester in preparation for holding office next September. The cadets will serve in their offices for the entire school year of 1954-55.

Gene Ernst was elected delegate to the National Conclave from the Earl S. Hoag chapter of the Arnold Air Society. Frank Pazlar was elected alternate delegate from the Omaha chapter. The National Conclave will be held in Omaha April 16-17.

Eleven pledges were initiated into active AAS membership at the closed meeting Sunday afternoon.

Chuck French spoke before the joint meeting of Angels-AAS urging the full cooperation of the students during the blood drive, Mar. 8. Fifteen members volunteered to give blood at the drive.

Joyce Della, Angel Flight Leader announced plans for a joint Angels-AAS Buffet Dinner, Mar. 7, at the Officers Club of Offutt Air Force Base.

## Greek News Clubs Sponsor Many Affairs

Alpha Xi Delta will hold Chapter Inspection tomorrow at the Blackstone Hotel. Mrs. Olen Brake, 4th national vice-president will inspect the model executive, active and pledge meetings. The Alpha Xi's will hold a formal pledging ceremony Sat. Seventeen girls will be activated at 2 p. m. Sun. at the Omaha Woman's Club. An activation tea will follow.

Chi Omegas will activate 18 girls Sat. afternoon and evening at the North Omaha Masonic Temple. They held their formal pledging ceremony last Wed.

Sigma Kappa's formal pledge ceremony will be Sun. They will activate Mar. 7.

Nineteen girls will become active Zeta Tau Alphas Sat. at the home of Mrs. R. J. Alexander. The traditional white formal banquet will be at 7 p. m. Sunday at the House and Gardens Room of the Blackstone Hotel. Honored guests will be Mrs. Robert Renfro, province president, and Mrs. Geo. Kiffin, past rush advisor to the Omaha chapter. Lenita Anderson is chairman of the banquet.

Pi Kappa Alphas will hold a private dinner dance Mar. 6 at the Livestock Exchange Bldg. The informal dance will be from 6:30 p. m. to midnight.

The dance committee includes Mel Rousek, Skip Decker and Jim McCart. Johnny Vana's combo will play. Bob Darrah will MC the intermission and Ted Romberg is in charge of the Pi KA octette.

New officers of the Omaha chapter will be formally presented to the group at the intermission. A cup will be awarded to the outstanding pledge of last semester.

Col. and Mrs. Allen Woods, Mr. and Mrs. R. J. Maxwell, Mr. and Mrs. H. W. Doss and Mr. and Mrs. Ernie Gorr will sponsor the dinner dance.

## Lutheran Students Try To Organize Chapter

Students interested in forming a Lutheran Students' Association at OU are invited to attend a meeting at the LSA house on the Nebraska University campus Sunday at 5:30 p. m.

LSA members from Midland, Nebraska and Omaha Universities will be present.

Willis Cramer, publicity director for the Omaha group, says, "We feel the experience will be stimulating in that we will get some valuable ideas for our own organization."

# IT'S ALL A MATTER OF TASTE

For cleaner, fresher, smoother smokes  
 From any pack you try,  
 Buy Lucky Strikes, so fully packed,  
 They're tops you can't deny.

Tom Ganiats  
 University of California

When you come right down to it, you smoke for one simple reason . . . enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better . . . always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

**Where's your jingle?**  
 It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.

If you have argued with your gal,  
 There's one sure way to soothe her.  
 Just offer her a Lucky Strike—  
 They're cleaner, fresher, smoother.

Rita M. Jabo  
 University of Pittsburgh

My prof sure put me on the spot.  
 With "What's the sine of three?"  
 But ask me what's the sign of taste—  
 It's Luckies you'll agree.

Gary E. Smith  
 University of Louisville
